Affordability, access

Bring community into the institutional
space. But how does the institution
recognize the need?

Making the institution reflect
the communities: race, gender.

Several elders, Indigenous
scholars
Displaying————— to create/
give access
Cluster hire
Actual bodies

Participation is key
Presence = Participation
Important to have presence

Can the institution compromise
rather than the community?

Cultural funding vs. Arts funding
Cultural activities in community centre

Qualitative vs. Quantitative

THE SPACE IN BETWEEN

NEGOTIATING COMMUNITY VALUES
IN RELATION TO
INSTITUTIONAL VALUES

THE "MEMORY MEMBRANE'
BACK AND FORTH

Alliances are made before
gesture, action etc. are made.

The failure of institutional
memory in relation to IBPoC
action + accomplishment

How to use optics to reverse manipulate...
alliances across departments etc. to bypass the
protocols of the institution to get shit done.
